OVERVIEW

DIPLOMA MBIG (Dip) Member of the British Institute of Graphologists

In order to gain the diploma MBIG (Dip) from the Institute. All students must be proficient in the English language and pass six exams: Part 1 A/B, Part 2 A/B, Part 3 A/B.

The requirements for each exam are outlined below. The exams are held annually and there is no time limit set between the three parts.

PART 1 BASIC PRINCIPLES of GRAPHOLOGY

Section A To be completed at home

Over a four week period the student will be asked to assess two samples of handwriting by completing a full set of B.I.G. worksheets* and producing a report of 500 - 800 words for each sample provided, under exam conditions.

Section B Three hour written paper in London *(See General Exam Information, No. 3)*

The student will be asked to assess one sample of handwriting by completing a set of Part 1B worksheets, under exam conditions.

* B.I.G. worksheets are available to download from the website:

<https://www.britishgraphology.org/education/exams/> Click on downloads under “**BIG Worksheets**”

PART 2 PSYCHOLOGICAL THEORIES of PERSONALITY applied to graphology

Section A To be completed at home

Over a six week period the student will be asked to assess two samples of handwriting by compiling a summary of working notes, lists of interpretations and psychological notes*, together with an in-depth report of 1500 - 2000 words for each sample, under exam conditions.

Section B Three hour written paper in London *(See General Exam Information, No. 3)*

The student will be asked to assess one sample of handwriting by compiling a summary of working notes, and answer questions on psychological theories* in relation to the sample provided, under exam conditions.

* see syllabus for psychologists specified

PART 3 APPLIED GRAPHOLOGY

Section A To be completed at home

Over a six week period the student will be asked to prepare three reports on Personnel Selection, Career Guidance, and Partnerships and Human Relationships from samples of handwriting provided, under exam conditions. Reports may be compiled in any format but must be presented in a professional way.

Section B Three hour written paper in London *(See General Exam Information, No. 3)*

The student will be asked to assess various samples of handwriting under exam conditions, and answer questions on the applications of graphology with reference to the syllabus, including development from childhood.

3 VENUE

Part A exams are done at home. Part B exams are generally held at the hotel 'Number 63', 63 Bayswater Road, London W2 3PH (Tel: +44 (0)207 723 8575) or email: boardadmin@number63.co.uk where accommodation at a reasonable rate is available. On occasion, it may be necessary to sit exams at an alternative venue. If attendance in London is very difficult, arrangements can be made to sit these exams at an alternative venue, however, please apply well in advance in order to discuss this with the Exam Administrator.

4 SPECIAL NEEDS

Any candidate with special needs should make these known to the Exam Administrator well before the date of application so that arrangements can be made to accommodate these. Anyone suffering from dyslexia or other relevant disability who wishes to claim concessionary treatment will be required to supply appropriate supporting certification. The Institute regrets that it is unable to offer financial support to candidates wishing to take the Institute's exams, and that while every effort will be made to accommodate special needs, no guarantee can be given.

5 EXTRA TIME

A candidate wishing to take more than one Part A exam in one year may be allowed extra time to complete both papers. Requests should be made to the Exam Administrator before the date of application.

6 MARKING

Each paper will be marked by at least two examiners who have no knowledge of the identity of the candidate, only the candidate number. No examiner will mark papers submitted by his/her own students. The pass mark is 60% and marks are graded as follows: C grade 60-69%, B grade 70-79%, A grade 80+%

B.I.G. Achievement Awards may also be awarded at the discretion of the Examiners.

The award consists of a year's free B.I.G. membership.

7 RESULTS

Results will be sent as soon as possible and suggestions or guidance for further study may also be offered. All exam papers become the property of the Institute and will not be returned. Excellent exam papers may be used as 'Sample' papers for future students, unless a request is made to the Education Officer in advance. Correspondence on any matter relating to the exams should be addressed to the Exam Administrator. The Exam Board's decision is final.

Exam Administrator: Ms. Bernadette Hunt. Bernadetteh@outlook.com

8 B.I.G. MEMBERSHIP

Before you apply to take any of the Institute's exams, you **must be a member** of the B.I.G. If you are currently undertaking a course of study with a B.I.G. tutor you will be eligible for Student membership for a maximum period of six years. After that you may become an Affiliate member if you have not completed your studies. Details of terms and conditions, membership categories and fees can be found on the website or obtained from the Membership Secretary.

Membership Secretary: Mrs Linda Holder - Email: membership@britishgraphology.org

9 B.I.G. WORKSHEETS

The B.I.G. has standardised worksheets and requires that all students use these for the exams. These are designed to help you work methodically through the technical process of analysis that precedes the writing of a graphological report.

B.I.G. Worksheets are available to download from the website:

<https://www.britishgraphology.org/education/exams/> Click on downloads under "BIG Worksheets"

10 HILLIGER ASSESSMENT GUIDELINES (H.A.G.)

The Hilliger Assessment Guidelines summarise how handwriting movements should be assessed, and set out the criteria by which your technical work will be assessed by the examiners. Comments in italics are intended to draw your attention to mistakes commonly made by students.

You will probably be aware that there are several schools of graphology and that graphologists use different methods. The method approved by the B.I.G. is the one used by Francis Hilliger and other founder members of the B.I.G. While the B.I.G. recognises the validity of other systems, this is the method you must use if you want to pass the B.I.G. exams and gain the qualification M.B.I.G. (Dip.)

The B.I.G. syllabus sets out everything that is required at each level, and the B.I.G. worksheets show the structure of the technical procedure. Particularly in Part 1 it is essential that you follow this specific method, since most marks are allocated to the technical part of the analysis.

B.I.G. Hilliger Assessment Guidelines (H.A.G.) are available to download from the website:

<https://www.britishgraphology.org/education/exams/>

11 SAMPLE EXAM PAPERS

Sample Answers and Model Papers are compiled from candidates' papers that serve as an example of what is required at each stage. Please note that these papers have been chosen because they are examples of good passes, so may not be recent, and you should be aware that they *may* contain errors. If in doubt, consult your tutor or the Education Officer. These documents are available from your Tutor after registration for exams is complete.

SECTION 2**SYLLABUS FOR PART 1****BASIC PRINCIPLES of GRAPHOLOGY**

The process of analysis has three stages:

- A Observation and classification of handwriting features
- B Interpretation of data
- C Compilation of personality profile

A OBSERVATION

To provide a sound basis from which to prepare a personality profile, the student should be able to:

- 1 observe and classify all the handwriting movements that are present in a script
- 2 adopt an organised and systematic (scientific) method of working
- 3 produce a checklist in which the first general impressions, observations and assessments of movements are accurately recorded
- 4 assess the speed, originality, layout and form standard of a script
- 5 recognise all the individual movements and allocate them correctly to the following categories:
 - a) **Degree of rhythm** – e.g. rhythmic, arrhythmic, stilted etc.
 - b) **Degree of regularity / irregularity** (consistency)
 - c) **Size** with reference to:
 - absolute size
 - individual zonal sizes
 - balance of zones
 - fluctuations of absolute size and / or individual zones
 - increasing / decreasing of letters or words
 - d) **Slant of the downstrokes** in relation to the baseline
 - e) **Degree and placement of pressure** - heavy, medium, light, lateral, varying
 - f) **Type of stroke** - pasty, sharp, distinct, etc.
 - g) **Degree of currency** - good, fair, poor, disturbed, etc.
 - h) **Layout** on the page
 - margins
 - spacing between words, letters, lines, paragraphs
 - address
 - signature
 - envelope
 - i) **Baselines**
 - direction of slope
 - shape
 - spacing
 - j) **Horizontal expansion of letters** (width) - broadness / narrowness
 - k) **Horizontal tension** e.g. well sustained, slack, weak etc.
 - l) **Degree of connection** of letters within words - e.g. connected, disconnected, partial, etc.
 - m) **Form of connection** e.g. copybook, angular, arcade, garland, wavy-line, thread etc.
 - n) **Style** (form of letters) e.g. full, lean, simplified, neglected, enriched, elaborated, printed, calligraphic (stylised), rounded, square
 - o) **Tendencies** - rightward / leftward movements that may be dominant, secondary or miscellaneous
 - p) **Other movements**
 - starting and ending strokes
 - oval / circle letters
 - capital letters
 - diacritics
 - personal pronoun 'I' (PPI)
 - covering strokes and counter strokes
 - q) **Other miscellaneous movements**

BASIC PRINCIPLES of GRAPHOLOGY

B INTERPRETATION

To analyse and interpret the data collected the student should be able to:

- 1 complete all sections of the standard B.I.G. worksheets
- 2 discern which handwriting movements are more or less important in any script and grade them as dominant, secondary or miscellaneous
- 3 understand that dominant movements in handwriting reflect dominant personality traits
- 4 know the general meaning and basic interpretation of all the main graphological movements
- 5 understand that an interpretation of a movement is not valid unless it is supported by at least two other movements of similar meaning, and that all interpretations must be listed in the worksheets before being included in the report
- 6 understand the importance of Form Standard and how this has a bearing on interpretation
- 7 assess the correct degree of emphasis or weight that should be given to any interpretation from the frequency and strength of the movements.

C PROFILING

To integrate working notes and compile a personality profile the student should be able to:

- 1 assemble interpretations appropriately under the following headings:
 - **Vitality and Wellbeing**
 - **Personality**
 - **Social behaviour**
 - **Intellectual qualities**
 - **Working qualities**
 - **Interests and Tastes**
 - **Summary**
- 2 convert interpretations into suitable sentences using clear, simple language, avoiding terms and expressing any negative interpretations as constructively as possible
- 3 combine interpretations and include contradictory material in a way that is meaningful
- 4 compile an outline sketch of the person as a whole and write a report that reads well, avoiding anomalies under individual headings and between sections
- 5 conclude the report with a short summary
- 6 understand the application of the Institute's Code of Ethics in all its aspects.

EXAM PREPARATION GUIDANCE

Whether you are experienced at sitting exams or not, **it is important to prepare carefully**, not only technical content but also exam technique generally. With this in mind we offer the following suggestions:

General

- Well in advance, obtain the B.I.G. **Worksheets** and Hilliger Assessment Guidelines (**H.A.G.**).
- Obtain **Sample Exam Papers** from your Tutor and work through them yourself, checking answers and, if in doubt, verifying them with your tutor as they may contain errors.
- Before each exam, ask your tutor to organise a **mock exam** for you under exam conditions. This is particularly important for the timed 1B exam.
- Study the **syllabus** and **read the candidate instructions carefully** before you start work.
- **Be meticulous** with all your technical work. Make sure that all your notes agree throughout, and that there is good follow through from your assessments to the interpretations and then to the report.
- Do not allow the **content** to influence you as you make your interpretations. Only interpretations supported by graphological evidence are valid.
- Please note if any student does not achieve at least 60%, or above, in sections 1-7 or Section 8 they will receive an automatic fail.
- Submit the samples with your **measurements** and assessments for size, slant, word spacing etc. along with your completed worksheets.
- **Presentation** is important so make sure that all your notes are legible and that the report looks good. Check spelling and grammar, and that what you have written in each section of the report correlates with the interpretations listed in the corresponding section of the worksheets.
- Reports must be **typed**. Worksheets may be typed or completed by hand.
- **3 SETS of paper copies** of all your work should be sent by post to the Exam Administrator *in time to arrive by the date specified*. Also submit an electronic copy in **.pdf format**. Overseas candidates may be allowed additional time *by arrangement* to return the paper copies.

1B Exam

- Ensure that you bring with you all the **equipment** you may need - pen, pencil, rubber, ruler, protractor, magnifying glass, etc. + spares. Extra paper will be provided.
- **Drinks** are allowed but not food.
- You may keep a small handbag with you, but not large bags.
- Remember that in the 1B worksheets the boxes marked with a cross **do not** have to be completed, and only brief notes are required in other sections, where indicated.
- **Two works of reference are permitted**. These may be in the form of books, notes, cards, files etc. No electronic equipment is permitted, including mobile phones.
-

CANDIDATE INSTRUCTIONS : PART 1A

Please read all these notes before starting work.

Your Candidate Number is:

Please write your **candidate number** on every page of the worksheets and on all other material submitted. Do not give any other indication of your identity.

Enclosed are photocopies of **two samples of writing** for your analysis. Each sample has a reference number - use this to identify all work relating to each sample. The paper edge is shown if a sample is smaller than A4.

Worksheets

1. Use the standard B.I.G. Worksheets and complete a full set for each sample.
2. Worksheets may be handwritten in ink or completed on the computer.
3. The writing sample (or copies) showing how you measured the size, zones, slant etc. with lines should also be submitted.
4. Record your observations meticulously, and add comments or conclusions to your assessments where these are indicated.
5. In Section 7, number the movements e.g. D1, S4, M2 etc., but on subsequent pages please *refer to the movements by name* e.g. left slant, small size etc.
6. If you use the computer please ensure that in Sections 2 - 6 *the tables are not split* between pages.

Reports

1. For each sample compile a brief portrait of 500 - 800 words, under six headings: Vitality and Wellbeing, Personality, Social behaviour, Intellectual Qualities, Working Qualities, Interests and Tastes, followed by a Summary.
2. Reports should be typed and addressed to a third party ('**he/she** is' not 'you are').
3. Each section of the report should be based on the interpretations listed under the corresponding heading of the worksheets. The graphological evidence for any statement you make should be clearly identifiable, so do not include new material without back-up, or omit 'contradictory' material.
4. The final report should give a coherent and meaningful description of the writer.

Marking

- ✓ Marks will be awarded for accuracy and quality of content, correct degree of emphasis, appropriate allocation of characteristics to headings, and evidence given to support your conclusions. Observations should be consistent throughout the worksheets and be followed through in the report.
- ✓ Marks will also be awarded for presentation (including grammar and spelling), appropriate (tactful) wording and readability. **Do not** attempt to recognise or diagnose medical symptoms, refer to sexual problems or preferences, or enter into specialised areas of psychology or graphotherapy.

N.B. This exam must be completed without assistance from other people and any breach of this condition will result in dismissal from the Institute. **Your "Statement of Own Work" is binding.**

- Remember to put your candidate number on every page, number and identify every sheet of paper, and submit all worksheets, *including samples showing how you measured*, along with the report.
- Do not spiral-bind any of your work.
- **3 sets of paper copies** of all worksheets, samples and reports should be returned by the date specified to the Exam Administrator. Also email an **electronic copy** in .pdf format.

CANDIDATE INSTRUCTIONS : PART 1B

1. Please write your **candidate number** on every page of the worksheets.
2. Do not give any other indication of your identity.
3. Only write on **one side** of each sheet. (i.e. **do not write on both sides**)
4. In this exam you will be given a photocopy of one sample of writing and you will be expected to complete the B.I.G. worksheets for Part 1B, but not write a report. The paper edge will be shown if a sample is smaller than A4.
5. In London the original sample may be available for inspection.
6. Five minutes will be allowed before the start of the exam to look at the sample and other material.
7. Please note that in the 1B worksheets **boxes marked with an X** do not have to be completed.
8. Half the marks in this exam are allocated for Sections 1 - 7 and half for Section 8.
9. However, as you may find Section 8 more difficult to complete, it is suggested that you **aim to complete Sections 1 - 7 in one hour**.

Sections 1 - 7 consist of:

- 1) Checklist of movements
- 2) Size, Zones and Slant table
- 3) Regularity table
- 4) Speed test
- 5) Originality assessment
- 6) Layout and Form Standard assessments
- 7) Summary of working notes

Section 8 consists of Interpretations relating to:

Vitality and Wellbeing
Personality
Social behaviour
Intellectual qualities
Working qualities
Interests and tastes

9. In Section 7 you should number the movements D1, D2, S1, S2, M1, M2, etc., but elsewhere please **write the movements in words** e.g. 'left slant, small size' etc. to speed up marking.
10. Marks will be awarded for:
 - a) accuracy of observations and interpretations
 - b) appropriate back-ups for interpretations
 - c) agreement of observations throughout working notes
 - d) appropriate emphasis given to interpretations
11. Please write legibly, using a pen or biro.
12. Please ensure that you have all the equipment you may need.
Worksheets for 1B + extra paper will be provided.
Drinks are allowed but not food.
You may keep a small handbag with you but not large bags.
13. **Two works of reference** in paper form (books, files etc.) are permitted but *no electronic equipment*, including mobile phones.
